the C\$. Plus round trip air. plus
R&R. Habitat Canada will issue
charitable tax donation receipt
for trip costs and eligible
airfare.

Final budget details will be
advised to team members.

Zambia 2015

We are thrilled to learn that Habitat Zambia has agreed to work with us again under the **OVC*** program in 2015, in Lusaka. 2015 marks the 10th Anniversary of Global Village Canada, where they hope to have teams building **"Around the World for 80 consecutive Days"** - we would be part of this initiative!

This also marks the 5th year we build together as a team- we have much to celebrate, in that shelter has been provided for an estimated 60 people by these efforts. The need grows every year, and one family at a time does truly make a difference for generations.

What's Included

Food, lodging, water, medical insurance, First Aid kit, orientation materials, welcome and farewell dinners, ground transportation in Lusaka, dedication ceremony, and donations to GV Canada and Habitat Zambia.

Not Included

- visa, passports, immunization, round trip airfares, and all R&R activities.

OVC*

Orphans and Vulnerable Children

To all team members from the past four years, thank you for every bit of effort, work, laughter, play with the children, tears, blisters, scraped knees, bruises, art lessons, poor dancing, bad songs, jokes, prayers, lunches, chocolate bars, yoga, the occasional Mosi, great friendships, and so much more.....

We hope you are able to join us in continuing to provide those in need, with a safe place to lay their heads at night.

Please let us know if you would like to join Team Zambia 2015, by November 30, 2014 . A deposit of \$150 will be needed upon applying, - the balance of funds will not be due until May 15, 2015.

Prospective new team members can contact me at

warbel@shaw.ca

Check out Habitat Zambia's new website - you might see someone you know there....
